HOME ASSESSMENT PROGRAM

Prepare your home and property for wildfire!

The Fire Safe Council of San Diego County is now offering *FREE* home ignition zone and defensible space assessments!

What is a home assessment?

- 30-45 minute review of the vulnerability of your house and landscape to wildfire and ember ignition.
- Trained staff provide education, evaluation, and recommendations to help you meet your wildfire resilience goals.
- FREE of charge as grant funding permits.
- Registration is required through our website www.firesafesdcounty.org/hap.
- Contact Morgan Dioli at the FSCSDC with questions or assistance at 619-562-0096 or firesafe@rcdsandiego.org.

In 2026, assessments will be available in select communities listed on our website.

What will be covered?

- Review of defensible space zones (Zone 0, 1, and 2).
- Landscaping suggestions that complement the defensible space zones.
- Review home hardening and ignition reduction measures.
- Recommendations for your specific property.
- Resources and program referrals to help you meet your wildfire resilience goals.

The Home Assessment Program is administered by the Resource Conservation District of Greater San Diego County in partnership with the Fire Safe Council of San Diego County. Funding for this project was provided by a grant from the California Department of Forestry and Fire Protection as part of the California Climate Investments Program, through the California Fire Safe Council. The FSCSDC is a 501(c)3 Nonprofit; tax-deductible donations accepted.
